

# IMPORTANT WARRANTY INFORMATION FOR NORTHERN LIGHTS GENERATOR SETS

## WARRANTY REGISTRATION CARD

### DEALER/OWNER INSTRUCTIONS

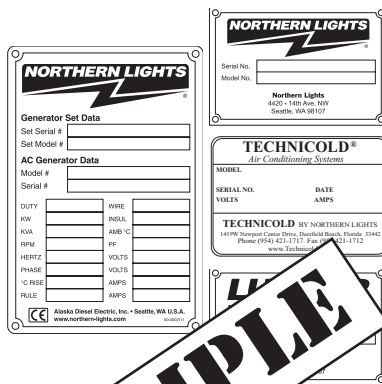

Use this card to register your Northern Lights, Luger or Technicold product. U.S. law requires manufacturers to obtain owner information for product recall purposes. After doing the pre-delivery inspection, the dealer/owner must fill out this card and return the postage-prepaid hard (white) copy to NLI within 10 days of delivery. Dealer retains the green copy. Owner retains the original copy.

**NOTE:** Your unit has one of the plates shown at the right. Use the number on it to fill in

1) Serial Number and

2) Model Number

\* Not required for Technicold products

1) Serial Number		6) Delivery Date		12) Owner's Name and Phone Number	
2) Model Number		7) Boat Manufacturer (units)		13) Owner's Address	
3) Engine Block Serial Number *		8) Boat Length in Feet	9) USCG Hull No. (marine units)	14) City	
4) Generator or Transmission Serial Number *		10) Type of Use <input type="checkbox"/> Pleasure <input type="checkbox"/> Commercial		15) State	16) Zip Code
5) Generator or Transmission Model Number *		11) Boat Name		17) Owner's Signature	
				18) Dealer's Name	
				19) Dealer's Address	
				20) City	
				21) State	22) Zip Code
				23) Dealer's Signature	

### WHAT IS THIS CARD FOR?

The Warranty Registration Card registers your generator with Northern Lights' Warranty Department. U.S. law requires manufacturers to obtain owner information for recall purposes.

### WHO FILLS OUT THE CARD?

The installing dealer or owner should fill out the Warranty Registration Card. Northern Lights recommends that owner installations by an authorized dealer. The cost of such an inspection is small compared to the benefits and peace of mind gained. In this case the inspecting dealer should fill out the card.

### WHO GETS WHICH COPY?

**Owner:** The owner keeps the white copy marked OWNER.

**Dealer:** The dealer (installing, inspecting or selling) keeps the green copy marked DEALER

**Northern Lights:** The hard white copy must be mailed to Northern Lights within ten (10) working days of the delivery to the end user. The card is self-mailing and requires no postage or envelope.

### HOW TO FILL OUT THE CARD

**Box 1 & 2:** List the Serial Number and Model Number shown on the Northern Lights name plate as illustrated in the above Warranty Registration Card example. Generator sets have a Northern Lights plate number located on the generator end.

**Box 3:** The Engine Block Serial Number is stamped:

- 673, 753, 773, 843 and 844:** on the block near the injection pump.
- 864, 984 and 944:** on the side of the block just below the cylinder head near the oil filter.
- 368, 374, 378, 484, 488 and 498** on the Yanmar plate on top of the valve cover.
- 445, 668, 681 and 1276:** on the John Deere plate on the side of the engine.
- 6108, 6125, 6140 and 6170** on the Komatsu plate on the side of the engine.

**Box 4 & 5:** The serial number and model for the generator end will be located on the manufacturer's plate on the generator end.

**Box 6:** The day, month and year the unit delivered to the end user.

**Box 7:** Marine units: Name of boat manufacturer.

**Box 8:** Marine units: Length of boat in feet.

**Box 9:** Marine units: USCG hull number stamped into the hull by the boat manufacturer. This is different from the USCG Boat Registration applied for by the owner and put on the owner's box.

**Box 10:** Type of Marine use: Check box.

**Box 11:** Name of boat.

**Box 12-17:** Name, address and signature of owner.

**Box 18-23:** Name, address and signature of selling dealer. Dealer signature is optional.

# RECOMMENDED PRE-DELIVERY INSPECTION CHECKLIST

It is estimated that 30 to 40% of all warranty failures can be prevented by a careful In-Service Delivery Inspection.

This inspection should be carried out by an authorized Northern Lights dealer whenever possible.

- |  |  |
|--|--|
| <input type="checkbox"/> Check numbers and fill out Warranty Registration Form.  | <input type="checkbox"/> Generators only: Check AC generator leads for tight, well insulated connections.  |
| <input type="checkbox"/> Check mounting bolt tightness.  | <input type="checkbox"/> Check stop solenoid function.   |
| <input type="checkbox"/> Check exhaust connections.  | <input type="checkbox"/> Check panel function. Instrument needles should lift off pegs.  |
| <input type="checkbox"/> Check for external damage: bent valve covers, broken wires, kinked hoses, dented oil pan, etc.  | <input type="checkbox"/> Make sure the shutdown system is functioning.   |
| <input type="checkbox"/> Check engine oil level.   | <input type="checkbox"/> Start the generator and check for leaks, unusual noises and vibrations.   |
| <input type="checkbox"/> Check coolant level.  | <input type="checkbox"/> Turn on voltage regulator switch and note voltage and frequency.  |
| <input type="checkbox"/> Check antifreeze content of coolant if freezing weather is expected.  | <input type="checkbox"/> Check for proper phase rotation and then load the generator set.  |
| <input type="checkbox"/> Check tightness of V-belts.   | <b>Dealer</b>  |
| <input type="checkbox"/> Inspect fuel system. Are lines properly routed? Are suction and return lines reversed? Do fuel tanks have sump drains? Are tanks properly vented and are the vents clear? Are shut-off and selector valves properly installed? Is primary (bulkhead) fuel filter a water separator type and is it plumbed properly with tight fittings? | <input type="checkbox"/> See that the proper manuals are available and instruct customer in proper maintenance and operation.                                    |
| <input type="checkbox"/> Be sure the positive battery cable is connected to the starter motor.   | <input type="checkbox"/> Check to see that the Warranty Registration Form is properly filled out, with both owner and dealer signatures.                         |
| <input type="checkbox"/> Be sure all battery cable connections are tight.  | <input type="checkbox"/> Please note any installation problems and your recommended corrections in the Comments Section below, and explain them to the Customer. |
| <input type="checkbox"/> Be sure instrument panel plugs are tight, match in color and are not in bilge.  | <b>Dealer or Owner</b>   |
|  | <input type="checkbox"/> Return hard white copy of the Warranty Registration Form to Northern Lights. It is self-mailing and postage-prepaid.                    |

# NORTHERN LIGHTS LIMITED WARRANTY

This Limited Warranty applies to the following product lines:

**NORTHERN LIGHTS Marine and Industrial Diesel Powered Generator Sets.**

**NORTHERN LIGHTS Diesel Powered Pumps and Power Units.**

Northern Lights, Inc. (herein "NL") extends to the purchaser and user (herein "Owner") of the product the following limited warranty (herein "Warranty"). Please read it carefully.

## NORTHERN LIGHTS WARRANTY AND RESPONSIBILITIES

**Subject to the terms and conditions set out below, NL warrants the product and its factory installed parts to be free from defects in material and workmanship under normal use and service.**

If the product is purchased for and used primarily in a commercial endeavor, the warranty period shall extend from the date of delivery to the original end user for a period of twelve (12) months with no limit on hours of use. If the product is purchased for and used primarily in personal, family or household use, the warranty period shall extend from the date of delivery to the original end user for a period of twelve (12) months with no limit on hours of use.

**The obligation of this Warranty shall be limited to repairing or replacing any part of the product which NL agrees is defective in materials or workmanship under normal use and service during the warranty period.** If during the warranty period the product or any of its parts are found to be defective because of workmanship or materials, it will be repaired or replaced without charge if the Owner prepaies the transportation charges and returns the item to NL's authorized warranty dealer. To find the location of the nearest authorized warranty dealer, write NL at the address below or telephone NL at the number below.

Upon request by the Owner and agreement by NL, repair of product or replacement of parts under this Warranty may be completed at a place other than an NL authorized warranty dealer. See "Owner's Responsibilities" below.

## OWNER'S RESPONSIBILITIES

**Within thirty (30) days of purchase, Owner or authorized agent of Owner must complete, sign and deliver to NL the warranty registration card in order to validate this Warranty. Owner must break in unit as described in the "Operating Procedures" section of the Operator's Manual.**

At the time of presentation of product for service under this Warranty, the Owner or authorized agent must present evidence of the date of original purchase of the product.

If pre-approved repair of product or replacement of parts under this Warranty is completed at a place other than at an NL authorized warranty dealer, Owner shall pay NL's or its authorized dealer's reasonable travel expenses, including travel time.

In the event of any product failure at sea which is covered by this Warranty, Owner is responsible for the cost of towing the vessel to a repair dock and for any associated docking and harbor charges.

Owner shall pay costs of any labor required to remove and reinstall the product and/or parts thereof, any premium for overtime labor requested by the Owner and costs for transporting the product and/or parts thereof to and from the place where warranty work is performed.

In the case of an engine or engine-powered product, before a claim for excessive oil consumption will be considered, Owner must submit adequate documentation to show that consumption exceeds NL's standards.

In the case of an engine or engine-powered product, Owner is responsible for the costs of lubricating oil, antifreeze, filter elements, hoses, belts and other maintenance items not affected by the failure subject to this Warranty, but replaced during warranty repair.

Owner is responsible for communication, expenses, meals, lodging and any other incidental costs incurred by Owner or Owner's agents as the result of a failure subject to this Warranty.

## WARRANTY LIMITATIONS

This Warranty will not apply to equipment put in service more than twenty-four (24) months from date of shipment from factory, and will not apply in any country with which trade is restricted or banned by the US Department of State, at or after the time of sale or claim.

If the product is used primarily in a commercial endeavor, neither NL nor any company affiliated with NL will be liable for general damages, including bodily injuries, except as set forth above, or for incidental or consequential damages, including but not limited to, loss of use, loss of profits, loss of production, expense of substitute equipment or other commercial loss or for damage to property in which the equipment is installed. The same limitations shall apply to a product used for personal purposes with respect to all non-personal injuries, general, incidental and consequential damages.

Some countries or states do not fully allow the above exclusions or limitations of general, incidental or consequential damages, so the above exclusions or limitations may not apply to you.

This Warranty extends only the original parts and accessories.

This Warranty is transferable to a new Owner during the warranty period. No transfer forms or fees are required.

This Warranty does not extend to failure resulting from an accidental or disaster or from Owner or operator abuse or neglect (such as operation without adequate coolant, fuel or lubrication, over-fueling, over-speeding, lack of maintenance of lubricating, cooling, or air intake systems, improper filtration of fuel and oil, or improper storage, starting, warm-up, run-in or shutdown practices.)

Service parts worn out by usage and not due to defects in workmanship or material are not covered by this Warranty.

NL is not responsible for failure resulting from improper repair or use of defective parts or parts not approved by NL.

NL is not responsible for failure of product or parts resulting from improper installation or unauthorized modifications.

NL is not responsible for failure caused by negligent handling or abuse in installation or storage in improper environment which results in corrosion or freezing damage to equipment.

NL is not responsible for failure caused by any third party's transportation damage to NL's product.

NL is not responsible for damage if any warning alarm system is ignored.

## NO REPRESENTATIONS AND LIMITATIONS OF IMPLIED WARRANTY

This written Warranty is in lieu of all other express warranties, obligations or liabilities. If this equipment is used properly in a commercial endeavor, no implied warranty, including that of merchantability and fitness for a particular purpose is extended. If the product is used primarily in personal, family or household use, any implied warranty, including that of merchantability and fitness for a particular purpose, shall be limited to twelve (12) months.

Some countries and states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

No person is authorized to make any representations or promises on behalf of NL or to modify the terms or limitations of this Warranty in any way except in writing and signed by an authorized employee of NL.

This Warranty gives you specific legal rights, and you may have additional statutory rights which vary from one country or state to another.

Owner or Owner's Agent acknowledges that Owner has read and understands the limitations of warranty and remedies information for applicable goods and agrees to be bound by the same. NL's responsibility is limited to the repair or replacement of any part NL agrees is defective in materials or workmanship under normal use and service during the warranty period. NL limits remedies to those provided in this warranty statement and expressly excludes liability for lost profits, incidental and consequential damages. Other than those warranties listed herein, NL makes no express or implied warranties respecting its products, including but not limited to the warranties of merchantability and fitness.
